at \$800**

1095Hawk is an ACA 1095 reporting service that makes filing Forms 1095 and 1094 simple, efficient and affordable. Employers that purchase 1095Hawk to complete their ACA reporting requirements receive access to ACA experts, CPA assistance and peace of mind knowing their forms will be accurately e-filed to the IRS.

1095Hawk uses an easy three-step process with minimal data entry. On average, ninety percent of the work is completed in these steps. Rest assured knowing your forms will be processed and reviewed by a certified public accountant.

With 1095Hawk, you receive the following:

- Accurate preparation of 1095 and 1094 required forms
- 1095-C code determination
- Forms provided to your employees, with your choice of delivery methods
- Forms e-filed to the IRS on your behalf on time
- Access to CPA and ACA expert assistance
- Simple, streamlined process
- Online videos to guide you along
- Compatible with any system
