

# Employee Benefit Plan and IRA Quick Reference Table

## 2018 & 2019

The Internal Revenue Service has announced the cost-of-living adjustments applicable to dollar limitations for various qualified retirement plans and other amounts for 2018. While the pension plan deferral and catch-up limits did not change, many of the annual pension plan limits and compensation thresholds did. Plan sponsors should verify that their administrative and payroll systems reflect the appropriate limits. Communications that specify benefit plan limits should be reviewed for accuracy before materials are given to participants.

	2018	2019
<b>Compensation limit—IRC Sec. 401(a)(17)</b>	\$ 275,000	\$ 280,000

(1) This applies to the total of all elective deferrals an individual makes for the year to 401(k) plans, 403(b) plans, SARSEPs, and SIMPLE plans. However, deferrals to each SIMPLE plan in which the individual participates are also limited, as shown later in the table.

(2) Catch-up contributions are available each year to individuals who reach age 50 by December 31.
